Greetings from the farmers and board of Chatham Mills Farmers' Market! We are excited to begin our seventh year in Pittsboro. In 2017 we added several new vendors in order to increase the diversity and selection of products in the market, all while keeping our standards high and our offerings local. We are writing to give you an update on our plans for the year, and to invite you to be a part of it! Without the help from our sponsors our market would not exist, so a huge thank you to our loyal supporters, and thanks in advance to our new sponsors!

What's in Store for 2018

We are pleased to welcome a number of new vendors for 2018, joining our long time members to provide delicious local fruit, healthy local produce, meat, baked goods, and crafts each week. We have marked our calendar for some great special events this year, including our popular annual farm-to-table dinner, Harvest Abundance, our twice yearly Plant Sale and Vendorpalooza events, and our new favorite of customers and local fiber growers, Fiber Day!

How You Can Be Involved

Our sponsors have been critical to the success of the market. Not only does your support help Pittsboro residents and visitors connect through healthy local food, it builds community and supports Chatham's agricultural identity. We invite you to share in this vision with us.

As a sponsor your contribution will go towards the following:

- Advertising in online and print media (like our newsletter, Facebook and the Chatham News and Record).
- Paid hours for our market manager to promote our market in the community and to plan great market events.
- Improved signage along 15-501 near the market and around town, as well as on other roads leading into town.
- Rent at our beautiful Chatham Mills lawn location.
